

VBS S2 Project

Ready, Set, Move! What a fun S2 focus! We are excited to invite you and your children to follow Jesus and serve Him and share the Gospel here, near, and far!

This year, instead of collecting money or items we are collecting actions! We want you and your family to decide together how you want to MOVE! Each day at VBS, we will share with your children how God has invited each one of us into His story and we will encourage the children to look to Jesus and see how He wants them to serve this summer! We know this requires a little more of you, but we are so excited to see how children, alongside their families, will serve God this summer! Maybe you will collect funds and give them to a local ministry or an international missionary, maybe you will join our team June 19-22 and help host a kid's camp for refugee children in Aurora, maybe you will start serving on Sunday mornings at your church. Here is what we know, God has a plan and wants us to participate in His story! Need other ideas, check out the next page!

Each day at VBS, the children will be invited up front to turn in their footprint. Pick up a footprint at FBC or any day at VBS.

On the footprint, write down the action your child (and your family) has taken or will take! We will share these and hang them up around the church!

Ready.... Set.... Move!

VBS S2 Project

Ready, Set, Move! What a fun S2 focus! We are excited to invite you and your children to follow Jesus and serve Him and share the Gospel here, near, and far!

Here:

- Join the Welcome Team! It is a fun way to serve at your church.
- Help us provide a night of fun and faith to those with special needs by volunteering at All Stars Club.
- Pray for church leaders—Pastors, Leaders, and Staff. Ask them for requests or send them a note that you are praying for them.
- Invite a friend to VBS!

Near:

- Pray for your neighbors. Walk the block each week and pray for their families, children, hurts and heartaches, and for them to know Jesus' love.
- Sign-up for a ministry organizations prayer email and pray for them when you receive updates and requests.
- Bring a meal to someone. Whether that is a neighbor, someone on the prayer list at your church, teachers at your neighborhood school, or those in need through an organization like Open Door Ministries.
- Buy or collect foods for a local food bank like Mean Street Ministries. Currently they need canned soup, canned fruit, canned meat, and peanut butter.

Everywhere:

- Sign-up for a missionary's prayer email and pray for them when you receive updates and requests. Find where they are working on a map, learn about the people they serve, and try food from that country.
- Sponsor a child through Compassion International.
- Follow Weave on Facebook.

Engage your children in how they have a role in God's Big Story.
